II. INFORMATION RELATING TO THE PROPOSED LIMITED PUBLIC OFFERING II FOR THE CAPITAL INCREASE BY THE ISSUANCE OF PRE-EMPTIVE RIGHTS

A. Maximum Amount of the Proposed Shares Issuance by Way of Pre-Emptive Rights

The Company intends to conduct Rights Issue II, which shall consist of granting the right to purchase equity securities in the maximum amount of 470,000,000 (four hundred seventy million) shares with the par value of Rp 100 per share (“**New Shares**”).

In the event where the payment of the New Shares is made in forms other than money, such payment in other forms than money must fulfil the following provisions:

1. directly related to the use of proceeds;
2. shall use an appraiser to determine the fair value of such other form than money used as payment and the fairness of such payment transaction for the New Shares in the form other than money;
3. in the event where the payment of New Shares is in the form of collection right (*hak tagih*) to the Company which shall be compensated as payment of New Shares, such collection right (*hak tagih*) must be recorded in the latest financial statement of the Company which has been audited by an accountant; and
4. in compliance with other prevailing laws and regulations that govern payment of shares in the forms other than money and compensation of collection right (*hak tagih*) as payment of the New Shares.

B. Estimated Period of the Capital Increase

In accordance to the provision under Article 8 paragraph (3) of POJK 32, the period between the EGMS approval in relation to the Rights Issue II until the effectiveness of the registration statement shall not exceed 12 (twelve) months. The Company plans to conduct its capital increase within such 12 (twelve) months period.

The execution of the Rights Issue II shall be dependent and subject to and shall only be carried out if the EGMS approval and the effective statement from OJK on the registration statement for the Rights Issue II as submitted by the Company pursuant to the prevailing laws and regulations in Indonesia have been obtained.

C. Analysis on the Impact of the Capital Increase to the Financial Condition and the Shareholders

The increase of capital from the implementation of the Rights Issue II shall strengthen the capital structure of the Company so that the Company is able to carry out the matters which are further elaborated in Section II.D below. It is expected that this capital increase shall improve the performance and competitiveness of the Company and its subsidiaries.

By the implementation of Rights Issue II, and under the assumption that (i) all Shareholders of the Company exercised the Pre-emptive Rights offered in Rights Issue II; and (ii) the issuance of the shares with Pre-emptive Rights are carried out in the maximum amount as stipulated under Section II.A of this Disclosure of Information, then the capital structure and shares ownership of the Company before and after the implementation of the Rights Issue II on a pro-forma basis are as follows:

If the shareholders of the Company do not exercise their Pre-Emptive Rights owned by them in the Rights Issue II then the ownership of the Company's shareholders shall be diluted with a maximum aggregate amount of 10.14% (ten point one four percent).

D. Estimation of Use of Proceeds

The Company intends to use all of the net proceeds raised from the Rights Issue II (after being deducted with the expenses relating to the Rights Issue II), for the requirements of the Company and/or its subsidiaries among others for capital expenses, full/partial repayment of the financial obligations, and/or the working capital of the Company and/or its subsidiaries.

The proceeds raised from the implementation of the Rights Issue II shall be channelled by the Company to its subsidiaries either by way of a capital injection mechanism and/or by provision of loan to the relevant subsidiary. The management shall make further assessment on the necessity and the financial condition of the relevant subsidiary in determining the fund flow mechanism. In the event where the Company provides loan to its subsidiary, such loan may be converted into capital injection and/or may be repaid within a certain period of time in accordance with the generally applicable terms and conditions. The repaid amount of such loan by the relevant subsidiary shall be further utilized by the Company to develop the business of the Company and its subsidiaries.

In implementing the foregoing, the Company will always ensure that the implementation of the flow of the funds raised from the implementation of the Rights Issue II to its subsidiaries complies with the prevailing laws and regulations, including but not limited to those provisions stipulated under Bapepam and LK Rule No. IX.E.1 on Affiliated Transaction and Conflict of Interest on Certain Transaction, Attachment to the Decision of the Chairman of Bapepam and LK No. KEP-412/BL/2009.

The final information in relation to the use of proceeds shall be disclosed in the prospectus issued in relation to Rights Issue II which shall be made available to the entitled shareholders in due course, in accordance to the prevailing laws and regulations.
